Minnesota Thoroughbreds 2010 Spring Development League

The Minnesota Thoroughbreds are proud to announce their 16th Annual Spring Development League.

The league starts on Sunday, May 2nd. Four teams will be formed and play a 10-game schedule, that includes a playoff game. League play is Sunday afternoons and Wednesday evenings (new day) with all games being played at Highland Ice Arena. League play will end with playoff games on Wednesday, June 9th (no hockey on Sunday, May 30th - Memorial weekend).

The league's high caliber of play challenges the girls to accelerate their development and raise their 'game' against the top competition.

We recruit only the very best high school aged players to the league, including top high school and current Thoroughbred players, and players who participated in the USA National Development Camps and Community Olympic Development Program in past years.

- All coaching by Thoroughbred coaching staff
- Each team will consist of a maximum of 9 forwards, 6 defensemen and 2 goalies
- Games are played Wednesday evenings and Sunday afternoons at Highland Arena in St. Paul
- Cost includes ice time and team jerseys
- League uses certified officials
- Ten game schedule begins May 2nd
- Championship playoffs

Here's a partial list of past Thoroughbreds and the colleges attended:

'08/'09
